

Here's How You Can help

Write a letter to Minister Strahl and Prime Minister Harper and then carbon copy the Agriculture Critics for the 3 opposition parties and to your own Member of Parliament. Do not be concerned that the letter should be long or formally written. *The Real Voice for Choice* would appreciate if you would express your opinion regarding support for retention of the single desk marketing structure and request the right to choice on structural changes to the CWB by means of a producer plebiscite based on a clear question. Always request a response.

The Opposition Agriculture Critics are:

Liberal – Wayne Easter

Bloc – Andre Bellavance

NDP – Alex Atamenko

No postage is required whenever mail is sent to Members of Parliament at the House of Commons. The address for each of the above is:

House of Commons

Ottawa, Ontario

K1A 0A6

We also ask you to telephone your local MP to express your opinion. If you are so inclined Minister Stahl's telephone number in Ottawa is (623) 992-2940 and (604) 792-3311 at his constituency office in Chilliwack, B.C. Stephen Harper's Ottawa number is (613) 992-4211 and his Calgary number is (403) 253-7990. A deluge of calls can provide a strong message.

Please talk or telephone fellow producers to share the information I am sending regarding the monetary value of the single desk marketing together with all the marketing benefits as listed so that all producers realize all that will be lost and the impact on their farm's net income.

If you have any questions or suggestions, please call the Co-Chair in your province who will be very appreciative of your input. We thank you for any help or support you can give us. This is a very serious issue for producers in Western Canada with a similar financial impact as the loss of the Crow benefit.

REMEMBER find time to act – your personal involvement in important!
